

# THE SCARIEST KIDS IN THE STREET

By Lucy Monroe

**On Halloween night in Spooktown, Gwen the Ghost and Lenny the Skeleton were getting ready to go trick or treating.**

**They wanted to dress up as the scariest things they could think of, so Gwen put on her terrifying...**

**Bunny costume.**

**And Lenny put on his horrifying...**

**Banana costume.**

**Then they made their way to the first house.**

“We’re off to trick or treat  
I wonder who we’ll meet  
Look out everyone  
We’re the scariest kids in the street.”

**When they got to the  
first house, they  
knocked on the door and  
waited for it to open.**

**"AHHHHHHHHH!!!"**

screamed the Vampire when she opened the door, and she went and hid behind a chair.

**"Trick or Treat?"**

shouted Gwen and Lenny.

**"You look so scary!"**

the Vampire quivered.

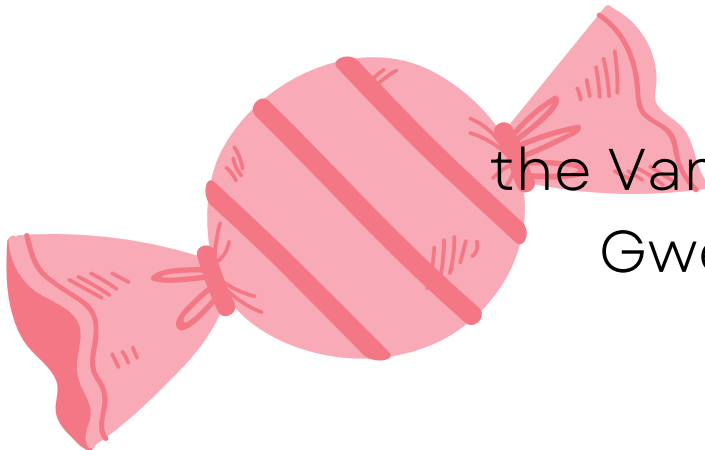

**"We're the scariest kids in the street."**

said Gwen and Lenny proudly.

**"You sure are! Take the whole jar!"**

the Vampire cried, giving them a massive jar of sweets.

Gwen and Lenny took the jar and skipped down the street munching on the sweets.

“We’re off to trick or treat  
I wonder who we’ll meet  
Look out everyone  
We’re the scariest kids in the street!”

**When they got to the  
second house, they  
knocked on the door and  
waited for it to open.**

**"AHHHHHHHHH!!!"**

screamed the Zombie when he opened the door  
and he went and hid behind a coat stand.

**"Trick or Treat?"**

shouted Gwen and Lenny.

**"You look so scary!!"**

the Zombie trembled.

**"We're the scariest kids in the street."**

said Gwen and Lenny proudly.

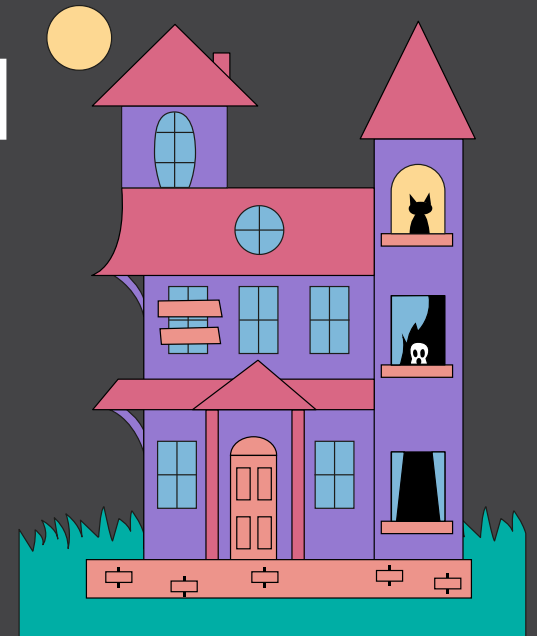

**"You scared me to my soul! Take the whole bowl!"**

whimpered the zombie and he handed them a large bowl of chocolates.

Gwen and Lenny took the bowl and skipped down the street munching  
on chocolates.

“We’re off to trick or treat  
I wonder who we’ll meet  
Look out everyone  
We’re the scariest kids in the street!”

**When they got to the third  
house, they knocked on  
the door and waited for it  
to open.**

**"AHHHHHHHHH!!!"**

screamed the Witch when she opened the door  
and she went and hid behind a lamp.

**"Trick or Treat?"**

shouted Gwen and Lenny.

**"You look so scary!!"**

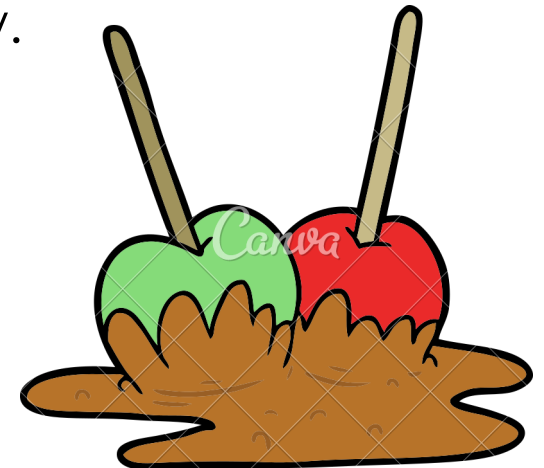

the witch shivered.

**"We're the scariest kids in the street."**

said Gwen and Lenny proudly.

**"Please go away! You can take the whole  
tray!"**

cried the Witch as she nervously pushed the tray  
of toffee apples across the hall.

**Gwen and Lenny took the tray and skipped down the street munching on a toffee apple.**

“We’re off to trick or treat  
I wonder who we’ll meet  
Look out everyone  
We’re the scariest kids in the street!”

**When they got to the fourth house, they knocked on the door and waited for it to open.**

**"AHHHHHHHHH!!!"**

screamed the Monster when he opened the door  
and he went and hid behind a table.

**"Trick or Treat?"**  
shouted Gwen and Lenny.

**"You look so scary!!"**  
cried the monster.

**"We're the scariest kids in the street."**  
said Gwen and Lenny proudly.

**"I'm shaking in my socks! Take the whole  
box!"**

shook the Monster, pointing to the box of iced  
buns beside the door.

**Gwen and Lenny took the box and skipped down the street munching on an iced bun.**

“We’re off to trick or treat  
I wonder who we’ll meet  
Look out everyone  
We’re the scariest kids in the street!”

**When they got to the final house, they knocked on the door and waited for it to open...**

**"AHHHHHHHHH!!!"**

screamed Gwen and Lenny!

As Penny (dressed in usual human clothing) opened the door, Gwen and Lenny went and hid behind a bush.

**"Who's there?"**

called Penny.

**"She looks so scary!!"**

Gwen whispered to Lenny.

Penny spotted Gwen and Lenny in the bush and called out to them.

**"Little Bunny? Yellow Banana? Are you there?"**

Gwen and Lenny peered out from behind the bush and placed all the sweets, chocolates, toffee apples and iced buns on the floor.

**“Take whatever you please!”**

they begged on their knees.

**“Oh yummy!”**

said Penny, looking at all the treats.

**“I can serve these at my party! Thank you!”**

and she went inside with all the treats.

Gwen and Lenny looked at each other  
with sad faces.

**“She took all our treats!”**

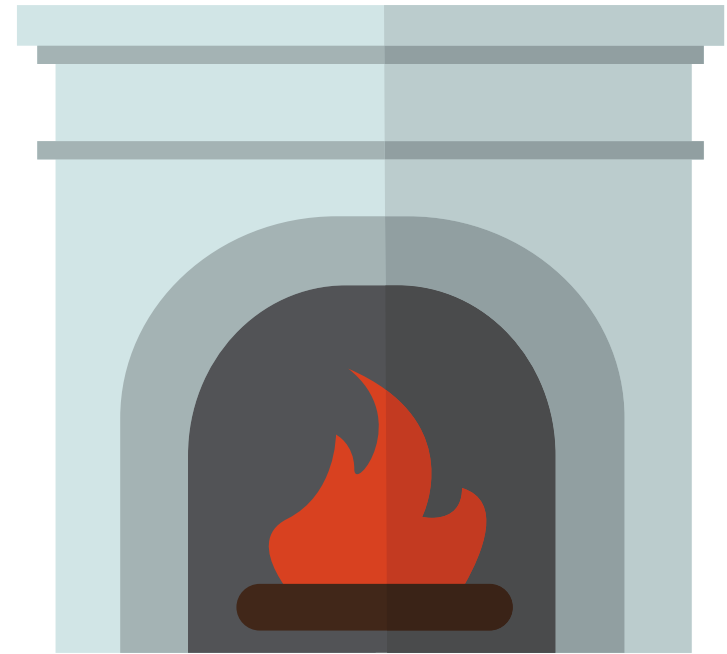

grumped Gwen.

**“I want them back!”**

said Lenny angrily.

**“But she’s so scary!!!”**

Gwen reminded him.

**“Come on, let’s be brave and go back and get  
them!!!”**

Lenny took Gwen’s hand and they crept into Penny’s  
house in search of their sweets.

Inside the house, a blazing fire roared from the fireplace.

**"I'm so warm in my costume"**

groaned Lenny

**"Me too! I'm melting in here. Help me take it off!"**

Gwen asked, and then helped Lenny take his off too.

**"There they are!"**

Gwen called out when she spotted all the treats sitting on the table.

**"Let's bag them up and get out of here!"**

whispered Lenny.

Just then they heard a noise at the door.

**“AHHHHHHH!!!!!!”**

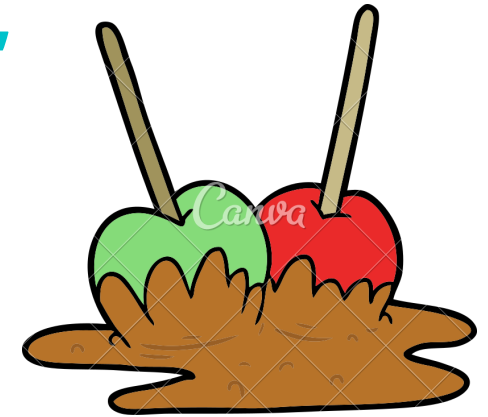

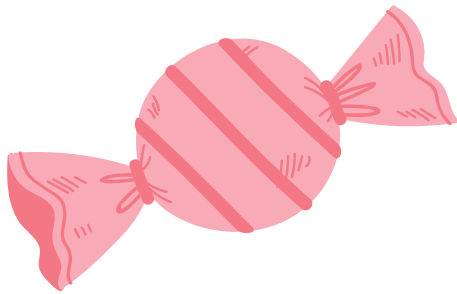

screamed Penny.

**“YOU’RE SO SCARY!!!!!!”**

And she ran to hide behind her sofa.

**“Take the lot! Take all I’ve got!”**

shivered Penny.

Gwen the Ghost and Lenny the Skeleton looked at each other with confused faces.

**“We’re the scariest kids in the street.”**

said Gwen and Lenny proudly.

**And they skipped down the road  
with their treats.**

**"We're off to trick or treat  
I wonder who we'll meet  
Look out everyone  
We're the scariest kids in the  
street"**
